PROMOTING ENERGY EFFICIENCY

in Buildings & Industry **EiBI**

EDITORIAL PROGRAMME 2019

Month	Contents	CPD Training Module	Editorial Deadline
January	Monitoring & Metering	Thermal imaging	07/12/2018
	Energy in Hotels		
	Drives & Motors		
	Heat Pumps		
February	Demand-side Response	Solar Thermal	11/01/2019
	Lighting		
	Combined Heat & Power and District Heating		
	Smart Buildings		
March	Heating Technology	Smart Buildings	8/02/2019
	Water Treatment and Management		
	Heat Recovery & Ventilation		
April	Boilers & Burners	Biomass Boilers	8/03/2019
	Building Energy Management Systems		
	Compressed Air		
May	Energy Efficiency in Universities	Batteries & Storage	12/04/2019
	Air Handling Systems		
	Green & Renewable Energy		
June	Heat Pumps	Energy as a Service	10/05/2019
	Energy in Hospitals & Healthcare		
	Data Centre Management		
	Indoor Air Quality		
July/August	Monitoring & Metering	Water Management	14/06/2019
	Demand Side Response		
	Combined Heat & Power and District Heating		
September	Heating Technology	Demand Side Response	9/08/2019
	Humidification/Dehumidification		
	Smart Buildings Show Preview		
October	Building Energy Management Systems	Drives & Motors	06/09/2019
	Lighting & LuxLive Preview		
	Water Treatment and Management		
	Batteries & Energy Storage		
November/ December	Boilers & Burners	Blockchain Technology	12/10/2018
	Data Centre Management		
	EMEX 2019 Preview		

*CPD Training Modules are produced with the Energy Institute.

CPD Modules for 2020:

JANUARY - Compressed Air; FEBRUARY - Energy Purchasing; MARCH - Space Heating; APRIL - Data Centre Management
